

INTEGRITY Call Notification Service

Record, Send, and Track Messages to Parents Instantly

Summary

INTEGRITY Call Notification Service is the ideal automated calling service for school administrators and teachers to keep in touch with parents, students, or an entire community. It provides a fast and easy way to notify parents of school cancellations, early dismissals, emergencies, student absences, or homework reminders from teachers. INTEGRITY Call Notification Service does not require any hardware, additional phone lines, or staff to maintain the system. By simply dialing a toll free number, you can record, send, and track your message to any of your group members.

INTEGRITY Call Notification Service is aligned with the No Child Left Behind Act of 2001 (NCLB), which requires that school districts and charter schools increase communications with parents.

Key Features of INTEGRITY Call Notification Service

- Record and send personalized messages via a toll free number or online with our text-to-speech feature
- No hardware, software, or additional phone lines needed
- Call parents' home, work, and/or cell phone instantly
- Send notices to email addresses
- Daily attendance notification
- Works with most student information systems

Call Notification Service

Have you ever needed to reach your parent population quickly in an emergency? What about notifying parents of student truancy and absences? Do you wish you could send reminders for activities or homework to your students?

To keep parents and students informed, INTEGRITY Call Notification Service is the answer!

Benefits

- Get the Message Out
- Not Just for Emergencies
- Affordable Solution
- Hassle-free Administration
- Polling and Reporting Feature

Wide Range of Uses

- Send hourly delay or school cancellation alerts
- Assure fast contact to parents in emergencies
- Send reminders to your PTA or PTO
- Announce upcoming teacher/parent conferences
- Send weekly school updates
- Send homework reminders from teachers

Features

- **Create and manage your roster**
Load your roster from your student information system or create roster using our web-based management tool.
- **Send messages**
Using a toll free number, follow the prompt to record and send messages.
- **Pre-record your message introduction**
Your message introduction will play before every message. It can be turned on or off through the web.
- **Message length**
Designate lengths of messages.
- **Caller ID displays your number**
Identify your school on the recipient caller ID display.
- **Dials multiple phone numbers**
Send to multiple locations at once – home, cell, office, daycare.
- **Set greeting tones**
Select unique chime to identify your message.
- **Deliver to voice mail and answering machines**
Leave messages to voice mail and answering machines if recipient is not available.
- **Pagers**
Deliver message to pagers and the school caller ID will be displayed.
- **Redials busy and no-answers**
Re-dials busy lines and no-answers until it gets through or until a specified time.
- **Reports disconnected numbers**
Helps maintain updated records.
- **Create subgroups and messengers**
Group members by defined subgroups, and set messengers to send specific messages.
- **Poll your group**
Touch-tone polling with results online.
- **View online reports**
View results of your delivery online. Find out how many members you reached, the number of answering machines, the exact time they received message, and what calls failed.
- **Call reports by phone**
You can review reports over the phone.
- **Choose call delivery time**
Set specific time(s) to deliver calls. Default is 7:00 a.m. and 9:00 p.m.
- **Retrieve messages remotely**
Call to listen to current messages.
- **Privacy policy**
Information is always kept confidential.
- **Do not call list option**
Member has option to remove number from call list.

How It Works

1. Dial a toll free number
2. Record your message
3. Select group to send message to
4. Deliver your message to anyone, anywhere, anytime

It's that easy!
